Meet and Greet the DNC on PDA's Home Turf!

Thursday, DEC. 1 - Saturday, DEC. 3, 2005

The DNC is having its annual 2005 meeting in

PHOENIX, AZ!

PDA will greet them there for three days of mutual education!

PDA activists are invited to Phoenix to let the DNC know that an end to this war is the crucial priority for all other items on the Democrats' agenda.

All PDA supporters welcome!

THURSDAY, DEC. 1 PDA Social Event

- PDA will host PDA activists and DNC members who want to check us out this evening!
- PDA executive staff, field staff and Board members will be on hand, along with those of our Congressional allies who can come to AZ. We hope to be joined by new PDA Advisory Board Members Reps. John Conyers, Barbara Lee and Lynn Woolsey.

FRIDAY, DEC. 2 Inside/Outside Strategy Day

- PDA staff will meet with DNC members for discussion.
- Street Presence: CodePINK, Vigils, Arlington West Memorial, Camp Casey (all under discussion).
- Plenty of opportunity for peaceful action to keep the DNC mindful that the war goes on as they meet and have yet failed to oppose it.

SATURDAY, DEC. 3 PDA Teach-In on DNC

- What is the DNC?
- How is it different from the DLC (Democratic Leadership Council)?
- What is the DNC's structure?
- Who is in it (besides Howard Dean)? Are we?

LODGING: Hotels and homestays for out-of-town activists are being arranged.
